

CUSTOM and STANDARD SEALING SOLUTIONS

For OEMs and Distributors

Since 1961, Allstate has manufactured precision gaskets. Meeting our customers' material and production needs over this time has given us the experience to produce quality items on time and within your budget.

No matter what the application or requirement, from extreme pressure to caustic containment, Allstate has the experience to manufacture the gasket you need!

HI-TECH SHIELDING — EMI / RFI Shielding Laminates

Allstate specializes in designing unique laminated shields and utilizing selective die cutting techniques for cost effective solutions to a variety of high-tech shielding problems. With our extensive product development and manufacturing expertise we have developed a complete range of foil laminates for your requirements.

SHEET GASKET MATERIAL — In-House Die Cutting, Slitting & Sheeting

Hundreds of ready-made dies to choose from — save tooling costs!

|---------------------------------------|--------------------------|----------------------------|
| • Boiler Gaskets | • Flange Bolt Kits | • Silicone |
| • Closed Cell Sponge | • Flange Insulation Kits | • Silicone Sponge |
| • Cloth Inserted Rubber | • Flexible Graphite | • Switch -Board Matting |
| • Compression (<i>Non-Asbestos</i>) | • Gasket Cutting Kits | • Tadpole Tape |
| • Diaphragm | • Gasket Punch Kits | • Task-Line |
| • EPDM | • Graphite | • Teflon© |
| • Expanded Teflon© | • Gylon© | • Teflon© Envelope |
| • FDA Rubber | • Hypalon | • Vegetable Fiber |
| • Fiberglass Cloth | • Neoprene | • Viton© |
| • Fiberglass Tacky Cloth | • Nitrile | • Wire Inserted Compressed |
| • Fiberglass Tape | • Red Rubber | • Wire Inserted Red Rubber |

SEALANTS & LUBRICANTS

- Silicone Sealants
- Adhesive
- Anti-Seize
- Lubricating Compounds
- Teflon© Sealants
- Thread Sealants
- Teflon© Joint Seal
- Zip Cord
- Teflon© Tape

SAFETY PROTECTION

- Flange Spray Shields
- Silicone Heat Shielding
- Welding Blankets
- Welding Clothing
- Switch-Board Matting

PIPE EXPANSION JOINTS

- Elastomer
- Molded PTFE
- Metal Bellows

COMPRESSION PACKING MOLDED PRODUCTS

- | | | | |
|--------------|----------------------|----------------------------|--------------------------------|
| • Aramid | • Injectible Packing | • Atlas© O Rings | • O Ring Splicing Kits |
| • Carbon | • Lantern Rings | • Bearing Protection Seals | • Oil Seals |
| • Chevron | • Packing Pullers | • Cord Stock | • Square Cord Stock |
| • Flax | • Packing Tool Kits | • Custom Extrusion | • Teflon© Encapsulated O Rings |
| • Food Grade | • Poly-Paks | • Custom Molded Parts | • TFE O Rings |
| • GFO | • Soot Blower | • Kalrez© O Rings | • Viton© O Rings |
| • Graphite | • Teflon© | • O Ring Kits | • Wiper Rings |

ENGINEERED PRODUCTS

- Live Loading of Valves
- Mechanical Seals
Cartridge Type, Single Spring, Metal Bellows, Seal Repair, Seal Parts
- Metal Hoses

Contact us for FREE SAMPLES, CONSULTATION and FAST QUOTES!

GASKETS

- Spiral Wound
- Ring Tight Joints
- Jacketed Gaskets
- Heat Exchanger Gaskets
